

Deborah Irene Armin

September 8, 1963 - April 2, 2025

Deborah Irene Armin, 61, of Georgetown, TX formerly of Rialto, CA passed away on Wednesday, 4/2/2025 due to metastatic breast cancer. She thrived and met with much success during the nearly 7 years since diagnosis. Deborah was born on September 8, 1963, in Pomona, CA to Lawrence Lee Crawford (deceased) and Lois (Adelman) Swick. She is survived by her mother, her daughter, Carissa Danielle Lawrence, her son-in-law, Damian Ross Hunt, her son, Joshua Ryan Lawrence and her five precious grandchildren, Ava, Ezra, Asher, Ellie and Gideon. Her youth was spent growing up near aunts, uncles and cousins. She loved the multiple annual family gatherings, and she loved the beach and the ocean. She was a 1981 graduate of Dwight D Eisenhower High School. She also attended Otis Art Institute, University of Maryland, and The American College of Financial Planning. Deborah's passions included dance, music, art, antiquing, hiking, traveling and adventure. She resided in Germany for several years. While there she traveled to many countries in Western and Eastern Europe, as well as Turkey and Egypt. Her love of the Dave Matthews Band took her to over 13 States, overseas to the UK, The Bahamas and South Africa. She made wonderful lifelong friends on her travels. Her adventures also took her to Canada, Mexico, and Central America. She made her home in Texas for the last 25 years. Another great passion was her work. She was motivated by her love of helping others. Being a financial advisor, creating solutions, developing plans of action, and coaching her clients provided her with purpose and gave

her great satisfaction. She consistently stated that she was fortunate, because each day she worked provided her the opportunity to have a positive impact on another's life. She had a love for all things, people, animals and the earth. She was always surrounded by her pets. Over her lifetime she shared her life with many cats, dogs and birds. Deborah was known as the “planner and problem solver” among her friends and family. She presented a smile and the possibility of adventure to everyone she met.
