

Edy Vasquez

April 24, 1992 - November 19, 2025

It is with great Sadness In our Hearts that we regret to inform you all of Edy Vasquez passing on 11/19/2025. Edy was 33 years old. He passed away in Travis County, Austin Texas.

When Edy was a baby he adored falling asleep with cartoon network on the TV all night. He loved Spaceghost, and his little "Linus blankie" he slept with, we called it his "trapito". Edy loved Pokémon and was Obsessed with the video game League of Legends, he enjoyed forensic crime shows and Dr Who, loved Robin Williams, Tom Hanks (he had a signed item by him) Denzel Washington and JCVD movies, he enjoyed Drama and comedy films, kung fu flicks with his big sis, Dragon Ball Z, EDM music, Salsa/cumbias, merengue, baladas just like our mom always taught us, to have eclectic taste in music. He loveddd karaoke, Raves, cold brews, befriending strangers, helping others. His dogs were his life! Dexter and Cookie brought him great joy! He loved his sisters, mother and niece dearly!

We are all in shock that something like this would happen to someone who was just beginning to live his life. Edy will be dancing in heaven where ever that may be and anywhere he goes! He is survived by his sisters, M(41) E(44) niece (19) brother G (48) and father E (62). He loved to work in hospitality and the food industry. He studied to be an engineer in Rochester New York at RIT in the mid 2000s and in late 2019 whisked himself away on a new adventure

packing his life up and moving to Austin. Although Edy lived a short life he lived it FULL. He loved walking his dogs and facetimeing us for his niece birthday or for any holiday Edy found a reason to chime in on us. Edy loved the Buffalo Bills and we will continue this tradition for you forever, Josh Allen his Goat. Edy was always smiling and joking but he took movies very seriously! He and his middle sister (M) even have matching tattoos to back this up. We will forever feel him each time we go to the movies and in every feather we find, we know you are here!!

Rave on Little Brother!!

Thank you all for your well wishes as we try to wrap our minds and hearts around such a tragedy. Gone too soon Dearest Baby Brother!
